Sir –

I'm following up on the LPR status. Are we ready to execute contracts for the additional LPR cameras? If so, are we approved for the 5 year contract?

Dan,
This is my understanding. It would be best to reach out to Andrew to confirm length of approved contract.

Chief –

Are we approved to execute contracts with Flock for LPR? If so, do you know how long a contract. There should be details from the council meeting I would think.
